What's On:

Flippa Ball: We will be running Flippa Ball at The Hobart Aquatic Centre (THAC) for 8 weeks starting October 16 for training and October 19 for games.

John Pankiw, President of Tasmanian Water Polo, will be assisting me in running this fun and exciting competition. His email address is john.pankiw@dhhs.tas.gov.au.

Training will be on Tuesday nights 6:15-7:15PM and games will be on Friday nights starting at 6:15PM. We will be having a free come and try night on Oct 12 at 6:30 intended for those who have not played before. There will be a meeting for coaches/managers at THAC Oct 15 7:00PM.

If your school cannot quite put together a full team, please still send in all expressions of interest through individual player registration forms - combined teams can and will be created!

Copies of the team registration and individual registration forms are attached.

If you have any feedback or questions on the program please let John and I know. Please pass this onto any interested parents and friends. This is a great junior competition to be a part of and has been extremely successful in the past.

TWPI is also running a Junior Water Polo competition on Friday nights as part of our regular club schedule. This may be a better option for those who are in grades 5 and 6, especially if they are stronger players. If you would like more information on this, please contact us.
