Wanted for the school compost bins:

* a hand compost turner to try out (before buying one). Looks like a large cork screw that supposedly allows for mixing/aerating compost without having to fork it. If you have used one in the past and have an opinion, please let Angie know.

* deciduous leaves from your autumn garden. These will be used in the compost as the brown/carbon part. Leaves can be placed in the metal bin near the compost bins (ask your child if you are unsure where these are). Please squash them down and place the lid back on. NO GUM LEAVES please.

Mystery Deposit: On 19 March an amount was transferred to our NAB account with the details "Cottage School Art Cottage Inc". If this is your payment, could you let Penny know what the payment is for, please? Thank you

Found: Last week Cameron found a silver chain near where the bus is usually parked. If you think it belongs to you please collect it from Annette

Calling all crafters!: We had our first crafty get together 2 weeks ago and it was great! There were tales of when Cottage School folk met regularly, crafted together, helped each other out and enjoyed each other's company. That's what we're aiming for again! We've decided to meet fortnightly, Monday evenings from 7:30 onwards at Cottage School in the Biggies. Come along, we'd love to see you.

These dates have changed from the previous notice, so please check:

7th (this Monday) & 21st April (yes it is Easter Monday, come along if you're free) 5th & 19th May; 2nd, 16th & 30th June. Contact Michelle Folder, Gillian Mee or Andrea Jackson if you would like more info.
