Term dates for 2016:

Term 2 – Wednesday 27th April to Friday 1st July

Term 3 – Tuesday 19th July to Friday 23rd September

Term 4 – Tuesday 11 October to Thursday 15 December

From Steve: It's quite a relief to not to have too much to report for this week. With all of the major activities over and the public holiday on Monday, classes were able to focus on some consistent core curriculum work as teachers and students engage with activities that will inform final assessments for the term. These final assessments will be used to inform Mid-Year reports, so attendance over the next two weeks will be very important.

Thanks to the help of Peter Thurling, a new lawn area has miraculously appeared below the Littlies Cottage, which has really spruced the place up and will provide a welcome addition to the play space.

Steve and Pete hard at work with Mel supervising!

The Futures Working Group met with a consultant last week with a view to engaging their services. The brief is to provide the working group with a model for measuring the ongoing sustainability of the school in its present form, with a view to using the same formula to measure the viability for the other options that were compiled from meetings last year. The brief also requires an outline of the effectiveness and sustainability of the current governance/leadership/admin model that we currently utilise. The report is to be used as a tool to move the project forward in Terms 3 & 4.

Garden Market will be held on the last Wednesday of this term and will be something quite special as students across the school raise funds to assist the farmers in the north of the state who have been affected by the floods. In addition to the regular stall, each class will present their own stall to sell goods and produce in an attempt to raise significant funds. I know that teachers will be contacting you soon about their table and thought that this would be a good opportunity to give you all a heads up.

Littlies Environment Day: Prep/1 will have their environment day this coming *Thursday, 23rd June, with Lee and John*. Please note *Thursday*.

Children will need: Warm, comfortable clothes, sturdy shoes for walking, a rain coat, hat, gloves and backpack. They will also need their own fruit and lunch. Extra snacks are very much appreciated on Environment Days. We will leave as close as possible to 9.15am, and return at 1.00pm, please inform Annette before 9am if your child is unable to make it.

Golden Handshakes: This week's recipients are :-

- *Tate* – for helping carry a heavy load
- *Leo* – for looking after an injured teacher
- *Valentino* – being resilient and having a fantastic Environment Day
- *Stella* – being a good, supportive friend
- *Arrigo* – for touching through tricky times
- *Eliza* – for connecting with her history
- *Holly* – celebrating the joy in learning
- *Henry Maning* – for always having a go
- *Bill* – for being a supportive presenter at Gathering last week
- *Arki* – (1) for taking the initiative to unpack the bus after the Grade 3/4 Camp and (2) for being focused and on task when building his solar cooker and for helping another student to work safely
- *Mahli, Ella, Remi, Akira, Jonathan, Kai, Poppy, Laura* (all for being 'Personal Space Experts')

What's On:

LOOKING FOR SOMETHING DIFFERENT TO DO THIS SCHOOL HOLIDAYS???

Then get on target, join us on our SCHOOL HOLIDAY PROGRAM and learn the basics of how to do.... Archery
